

# Quality Food, Fast.

## *The Menumaster® MRC524TS2*

In the foodservice business time is money. Make the most of your time by utilizing one of the most powerful commercial ovens you can buy — the Menumaster MRC524TS2. Dependable and durable, this oven provides fast, even-heating and superior food quality.

### *Key Features*

- ◆ 2400 Watts of power for fast heating.
- ◆ 28 L (1.0 cubic foot) capacity easily accommodates two 4-inch half-pans.
- ◆ Up to 100 programmable menu items simplifies cooking and ensures consistent results.
- ◆ Four Stage Cooking Option for one-touch cooking. Reduces prep time, labor and food waste while providing consistent results.
- ◆ 11 power levels for consistent, delicious results for frozen and fresh foods. Food can go from freezer to table in minutes.
- ◆ Multiple quantity pad calculates the proper cook times for up to eight items.
- ◆ User-friendly controls are easy to use and require minimal user training.
- ◆ Unique double stirrer distribution system eliminates hot and cold spots.
- ◆ Pause setting reminds user to stir or inspect food before heating further.
- ◆ Durable stainless steel exterior and interior for years of commercial foodservice use.
- ◆ Worldwide service network provides ongoing product support.
- ◆ Full 1-year warranty. Plus limited 3-year warranty on the magnetron tube only.
