

**BRADSHAW**

## Built In Ice Maker

Crystal Clear Ice at Home

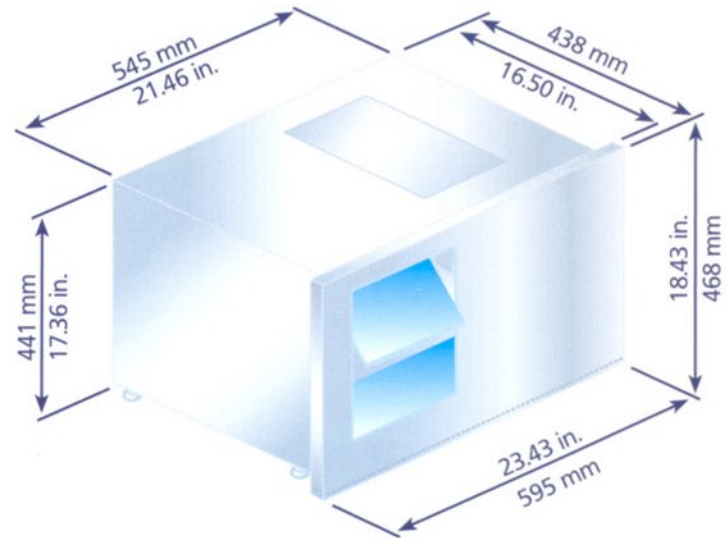

**VITTORIA**  
★★★★★

The ultimate Built-In appliance for the modern kitchen.

The **Vittoria** integrated ice maker is essential for cocktail parties, large families, and general home use.

The **Vittoria** offers functionality combined with exquisite design. The soft blue light enhances the ambience in the kitchen, while the neutral stainless steel front panel allows the **Vittoria** to be integrated into any environment.

The unique ice production mechanism produces crystal clear ice every time.

- **Stainless Steel**
- **Crystal clear ice**
- **Produces up to 20 kg (44 lbs.) of ice per day**
- **Constant ice supply up to 5 kg (11 lbs.)**
- **Fixed water connection**
